

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

NOVEMBER 25, 2003

On September 9, 2003, the Board of Supervisors approved a motion requesting that the Departments of Public Works and the Assessor report back to the Board with the feasibility of entering into agreements with law enforcement agencies to allow access at no cost to the Department of Public Works' GIS system and the corresponding Assessor's overlay information ("GIS System").

The November 6, 2003 joint report thoroughly addresses various concerns raised in the Board's initial consideration of this matter and recommends providing the GIS System to law enforcement, at no cost with exception of minimal reproduction costs, under certain conditions. In order to protect the integrity of the GIS marketing program, law enforcement agencies will be required to enter into a license agreement with the County that prohibits re-sale or re-distribution of the GIS System to third parties. Additionally, the GIS System will only be provided to those law enforcement agencies that have a mutual aid agreement with the Sheriff's Department. By imposing these conditions, the County can insure that there is no substantial loss of revenue from the Board's GIS marketing program.

**I, THEREFORE, MOVE THAT** the Board of Supervisors reaffirm the Board's intention to continue with the GIS marketing program and request the Assessor and the Department of Public Works to:

- Allow the Sheriff and other law enforcement agencies in Los Angeles County to obtain initial and updated GIS data, parcel data information, and aerial photographs acquired by the County for the GIS database, for exclusive use in the respective agency's air support operations;
- Require that law enforcement agencies receiving the GIS System execute a license agreement that clearly defines and limits the law enforcement agency's use of the information to air support activities and prohibit the re-sale or re-distribution of the information;
- Provide the GIS System only to those law enforcement agencies that have mutual aid arrangements with the Los Angeles County Sheriff's Department.
